Arts Center Closing News

Based on the current health climate, we will be closing our doors at 5PM on Friday March 20. We will stay closed until we feel it is safe to reopen.

THIS WEEK
If you have not received an email stating your class is cancelled, postponed, or rescheduled, it will be occurring this week (and this week only). Friday March 20th will be the final Pottery Open Studio. Hours are shortened to 9AM-5PM for this week (Weds, Thurs, & Fri). Please pick up your artwork or art materials that you may be storing here.

AFTER FRIDAY
Our building will be closed to the public in every fashion (no exhibits, classes, or restrooms). There will be no exceptions.

All classes affected during our closure are to be postponed and rescheduled. Please check your email as we work on this rescheduling. Studio Sprouts is cancelled through April 15th.

Please check your email often, as this is the best tool for communication.
