CALL FOR ENTRIES

ELIGIBILITY

The Collar City Craft Fest Committee seeks applications from outstanding artists/craftspeople who create original works from their own designs in metal, fiber, clay, glass, paper, wood, mixed media, leather and more. A panel of jurors will select participants on the basis of the originality, variety, and quality of work.

APPLICATION

Interested participants should complete an online application and upload six images no later than February 8, 2017 at 11:59 PM. The non-refundable application fee must also be paid online at the time of application submission. Five of the images must represent the work that you intend to show, and one must illustrate your booth. Booth appearance will count as part of your overall jury score. Two or more non-collaborating exhibitors may share a single booth space, provided each applicant separately submits six images and each submits the application fee. Applicants who collaborate on all works are not required to submit separate applications and fees.

BOOTH SPACE

Spaces will be available throughout the first and second floors of The Arts Center, including the Main Gallery, Foyer/Wallace Gallery, Black Box Theatre, Conference Room, Faculty Student Gallery, and the Dance, Drawing and Painting Studios. Actual floor plan will be finalized after jurying. Spaces will be assigned by The Arts Center staff and jury panel. Decisions determining space requested by multiple artists will be based upon application filing date with earlier submissions taking precedence. Note to past participants: If you are once again selected to participate, we cannot guarantee the same space assigned in the past. Upon submission, you will rank your top three choices. Booth fees will be due after you have been notified of acceptance. All fees are non-refundable. Photos of galleries, studios and theater are available on our website on the event page.
